

Dear interested members of the public,

On Friday, February 23, 2007, the Ravalli County Planning Department will host a meeting to discuss the potential for finding additional financial resources for general planning activities as well as specifically for the countywide zoning project.

All interested parties are invited to attend. Our office has been contacted by a number of people who have ideas about how to harness additional resources to support the County planning program and the Countywide zoning project in particular. Members of the public who have already been engaged in the process of seeking financial resources are especially encouraged to attend and share information about their efforts.

This meeting will be held in the Extension meeting room at the County Administrative Building (base floor) and will begin at 10:00 a.m. If you are unable to attend the meeting, please feel free to submit written comments by mail or e-mail. The suggested agenda for this meeting is below:
